

COMMONWEALTH OF KENTUCKY
FLEMING COUNTY FISCAL COURT
EXECUTIVE ORDER 20-1301

AN EXECUTIVE ORDER OUTLINING PREVENTATIVE MEASURES TO BE FOLLOWED

IN AND ABOUT RETAIL LIFE-SUSTAINING BUSINESSES IN FLEMING COUNTY, KENTUCKY

The novel coronavirus (COVID-19) is a highly infectious respiratory disease that can have very serious consequences, including illness resulting in death. Hundreds of cases of COVID-19 have been confirmed in the Commonwealth over the past several weeks.

Governor Andy Beshear declared a State of Emergency on March 6, 2020. A local Declaration of Emergency was issued for Fleming County on March 17, 2020. To help protect our community from the spread of COVID-19, Kentuckians, including those who are citizens of Fleming County, have been encouraged to remain Healthy at Home. The Centers for Disease Control and Prevention (CDC) and the Kentucky Department of Public Health have recommended that everyone practice social distancing, meaning stay at home when possible and otherwise maintaining six feet of distance from other individuals. Where people congregate unnecessarily, or fail to follow adequate distancing practices, they are spreading the disease and escalating an emergency situation.

KRS Chapter 39A empowers the County Judge/Executive to exercise all powers necessary to promote and secure the safety and protection of the population while this emergency situation continues. There have been past instances where shopping behavior has created situations where appropriate social distancing has not been maintained. In order to insure that proper social distancing is maintained, and to insure that the public is adequately protected, it is now necessary to put additional preventative measures in place.

NOW THEREFORE, IT IS HEREBY ORDERED as follows:

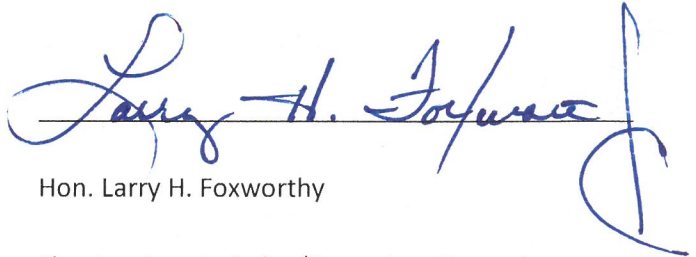

1. The retail life-sustaining businesses that remain open shall develop policies to insure That adequate social distancing is being maintained.

2. The number of shoppers permitted to enter the business shall be limited to one adult Member per household.

3. All shoppers permitted in a retail business shall maintain a distance of six feet from all Other individuals and shall complete their shopping as quickly as practicable.

This order is pursuant to the authority set forth in KRS 39A.100 but shall be subject to any order issued by the Governor of the Commonwealth of Kentucky.

ENTERED this 6th day of April, 2020.

Hon. Larry H. Foxworthy

Fleming County Judge/Executive, Kentucky
